

Caseld: 202045055

Employer: Wide World Importers

Location: San Diego

Event Date: 1/5/2015

Event: Fall on same level due to slipping

Nature: traumatic injuries

Final Narrative	Hospitalized	Amputation	Part Of Body	Source
An employee was wrapping meat using an automatic wrapper and putting the meat into a tall/mini shelving rack in the refrigerated market/area. The employee then transported the meat to the sale floor area. On her way back to the market area, the employee slipped and fell to the floor. The floor was wet from condensation.	1	0	nonclassifiable	floors
