

Caseld: 202045096

Employer: Wide World Importers

Location: Miami

Event Date: 1/7/2015

Event: Injured by slipping or swinging object held by injured worker

Nature: amputations

Final Narrative	Hospitalized	Amputation	Part Of Body	Source
The worker was cutting the tip of a tube of material with a utility knife. The knife slipped and the tip of the worker's left index finger was cut off. Urgent care stitched on the tip of finger and there was no lost time. The worker was wearing gloves.	0	1	fingertip	knives
